

MSSP – R

Homework – Due Friday 2015-09-04

The only submission required for this assignment is a screenshot of Rstudio running on your computer. I just want you to sort out online homework submissions.

1. Install R <https://cran.r-project.org/>
2. Install Rstudio <https://www.rstudio.com/>
3. Install git <http://git-scm.com/>
4. Read <http://priceonomics.com/hadley-wickham-the-man-who-revolutionized-r/>
5. Install LaTeX -- <https://www.tug.org/texlive/acquire-netinstall.html>
6. Install TeXStudio <http://www.texstudio.org/>
7. There are many sites that provide information for R users and programmers.
Explore the following sites.
 - a. <https://www.rstudio.com/>
 - b. <http://www.r-bloggers.com/>
 - c. <http://www.inside-r.org/>
 - d. <http://stackexchange.com/sites>
 - e. <http://stackoverflow.com/>
 - f. <http://blog.revolutionanalytics.com>
8. Subscribe to R-Bloggers <https://www.r-bloggers.com/>
9. Complete worksheet posted on Blackboard
